

CNA SORCE® On Demand Access Training Anytime, Anywhere

RISK CONTROL

SORCE® On Demand provides 24/7 access to CNA's library of risk control courses that are designed to educate you and your employees in industry-leading loss prevention, risk management and risk transfer techniques that address your company's exposures. These courses are based on proven adult-learning principles and the latest regulatory requirements to ensure that every learning experience is interactive and relevant. Programming is available at all levels from staff through senior management.

These online courses cover a wide range of topics that are relevant to companies in nearly any industry including:

- Slips, trips and falls.
- Driver and fleet safety.
- Industrial and office ergonomics.
- Workplace issues such as discrimination, harassment and violence.

Special Rates for CNA Insureds

SORCE® On Demand courses are either complimentary or available at a special rate using a corporate discount code. If you do not already have your discount code please contact CNA at 866-262-0540 or email us at riskcontrolwebinfo@cna.com.

Maximize Learning and Retention

SORCE® On Demand brings learning to life through rich multimedia features:

- High-quality course narration, music and text.
- Superior high-resolution graphics, 3D animation and illustrations.
- Challenging learning activities, knowledge checks and post-tests to reinforce and evaluate employee knowledge.
- Intuitive course navigation and bookmarking.

Get Started Today

Automated Reporting Tool

A robust reporting tool allows regulatory, compliance and training accountability through automated reporting and recordkeeping.

New in 2012: Specialized Databases

In addition to our main SORCE® On Demand website, CNA now offers the following industry-specific online resources:

- Construction – <http://www.cna.com/sodconstruction>
- Healthcare – <http://www.cna.com/sodhealthcare>
- Manufacturing – <http://www.cna.com/sodmanufacturing>
- Transportation – <http://www.cna.com/sodtransportation>

From a small business to a large commercial enterprise, exposure to risk can result in business loss and interruption. SORCE® can educate you in industry-leading loss prevention, risk management and risk transfer techniques that address your company's exposures. Since its inception in 2005, SORCE® has reached more than 80,000 attendees.
